Fidelity Trust Co. of Newark Declares Dividend of 375 Per Cent.

NEWARK, N. J., Jan. 25 .- The Fidelity Trust Company to-day declared a dividend of 375 per cent., which is equal to a distribution of \$7.500,000, to its shareholders. The dividend will be paid by diabursing 275 per cent., or \$5.500,000 m cash, now, and by distributing 50 per cent., or \$1,000,000, in capital stock of the Public Service Corporation held by the Fidelity, to be allotted pro rata at 110, and another 50 per cent, cash dividend will be paid just as soon as the shareholders shall have voted to increase the capital stock of the Fidelity from \$2,-000,000 to \$3,000.000.

With the money received from this lat-ter 50 per cent, the shareholders are supposed to invest in additional stock author due to the sale of the trust company's stock in the Prudential Insurance Company through the mutualization of the latter corporation. It is pointed out that with the \$3,000,000 profit in the \$9.096,000 received by the Fidelity last week for this stock the capital, surplus and undivided profits of the trust comwere brought up to nearly \$13,-

It was also announced that employees of the Fidelity would be remembered at this time by a distribution to each of an amount equal to 10 per cent. of the an-nual salary received.

Mr. Ellison, who returned a few days ago from a conference on police bills with Gov. Whitman, would not say what opinion, if any, the Governor expressed regarding the new bill and police matters generally. Neither would he say whom he represented in going to see the Governor, except that it was not the policiorganizations, whose counsel he will be until September notwithstanding that two of them have repudiated him. As to the source of the bill, he would say nothing, but said he would speak in favor of it before the proper committee if the associations so wished.

This they are likely to do, for while they will ask Commissioner Woods's advice, particularly as to increasing
